1. Approvals

The course has been approved by IMAREST (the Institute of Marine Engineering, Science and Technology), the Nautical Institute and DNV (Det Norske Veritas) and was first delivered in May 2006. The course is managed by EMCS International Limited (also based on the Isle of Man). For more information about EMCS International Limited please visit <u>www.emcs.co.im</u>

For more information about IMAREST, visit: www.imarest.org For more information about the Nautical Institute, visit: www.nautinst.org For more information about DNV, visit <u>www.dnv.com</u> T: +44 (0)1624 833955, E: enquiries@emcs.co.im

2. Who is the course for?

In today's working environment, the ability to demonstrate a recognised level of training can be invaluable. This quality-assured course is primarily designed for recently appointed ship superintendents or aspiring entrants into the world of ship management or ship ownership - whether working for a ship owner or ship management company; or whether applying from a Deck, Engineering or Naval Architecture background. More experienced superintendents can also be accommodated.

There are no prerequisite qualifications for applying to the course. The course has no specific bias towards "wet" or "dry" vessels.

If you are unsure whether this is the right training course for you, please contact:

Steve George, Programme Manager
